

High performance milling cutter for routing aluminium profiles. Made in France.

- Especially for aluminium
- Effective Chips removal
- Excellent surface finish
- Made in France

Machine

Application

N1-
Aluminum
alloy

Features

Item number M3	EAN (13 digits) M3	Cutter diameter	Handle diameter or CM	Total length	Trimmed length	Number of teeth
82329710200	3221910793708	2	2	38	10	
82329710250	3221910793715	2,5	3	38	12
