

High performance milling cutter for grooving aluminium. Made in France.

- Especially for aluminium
- Effective Chips removal
- Made in France

Machine

Application

N1-
Aluminum
alloy

Features

Item number M3	EAN (13 digits)	M3 Cutter diameter	Handle diameter or CM	Total length	Trimmed length	Number of teeth
82361310100	3221910822170	1	3	39	3	
82361310150	3221910822187	1,5	3	39	5
