

High performance milling cutter for grooving thin walls. Made in France.

- Effective Chips removal
- High speed machining
- Made in France

**Machine**

**Application**

N1-  
Aluminum  
alloy

**Features**

Item number M3	EAN (13 digits)	M3	Cutter diameter	Handle diameter or CM	Total length	Trimmed length	Number of teeth
82362410300	3221910829971		3	6	8	57
