

8236611 | Z4 helical carbide finishing end mill 30° Extra Long Chamfer

High performance finishing cutter. Versatile use. Made in France.

- Especially for steels and aluminiums
- Effective Chips removal
- Made in France

Machine

Application

N- Non-ferrous alloys

P1- Unrealized steels

P2- Weakly allied steels

Features

Item number M3	EAN (13 digits)	M3	Cutter diameter	Handle diameter or CM	Total length	Trimmed length	Number of teeth
82366110300	3221910875138		3	3	75	25	
82366110400	3221910875145		4	4	75	25	
82366110500	3221910875152		5	5	75	25	
82366110600	3221910875169		6	6	75	25	
82366110800	3221910875176		8	8	75	25
